The Meet & Pitch is designed to foster collaboration and networking within Nevada County's vibrant community of media professionals, artists, filmmakers, musicians, and storytellers. This event offers a unique opportunity for individuals to connect with like-minded peers, and explore potential collaborations. Participants are invited to present their ideas in a friendly and supportive environment to each other and to the NCM team. Whether it's a film, podcast, music, video series, stage performance, photography series, digital artwork, or any other form of media, The Meet & Pitch welcomes diverse voices and perspectives.

"We're incredibly excited to bring back and host this Community Meet & Pitch," said Ramona Howard, Executive Director at Nevada County Media. "This event encapsulates our commitment to empowering local creatives and fostering a thriving media ecosystem in Nevada County.
